Tutorial e-sign dengan ZOHO sign

The diagram illustrates the process of adding standard fields to a Zoho Sign form. It consists of three numbered steps:

- Step 4:** A form with a "Note to all recipients" text area and "Continue" and "Save & close" buttons.
- Step 5:** A "Standard fields" menu with various options: Signature, Initial, Stamp, Image, Company, Full name, Email, Sign date, Date, Text, Job title, Checkbox, Dropdown, Radio, Checkbox group, and Attachment.
- Step 6:** The final form with the signature fields added. The text "(Yohana Disa Amelinda) QA Supervisor" is visible, and the fields "Signature", "Initial", and "Sign date" are highlighted with dashed boxes.

4. Tulis note to recipient dan klik continue
5. Drag salah satu field pada "Standar Field" dan drop ke area yang perlu diisi oleh penerima. Contoh : Signature, Initial dan Sign date
